Dear Mr. Bonforte,

Thank you so much for helping to make our 25th Annual Halloween Night Hike a huge success. The large rubber mat you donated was the perfect size to float Jack 'O Lanterns on our pond! It looked amazing to have the black mat blending into the water while the Lanterns were floating safely. Thank you for the rope too; it made it so much easier to have the whole thing set up and ready to go.

We are grateful for the support of people like you. It is only through the dedication of our volunteers and supporters that we are able to host successful fundraisers like this one.

Sincerely,
