

with **Durafoam**TM

Closed Cell Sponge Rubber & Plastic Foam

That's Right. Even if you have no immediate application for Durafoam, we want you to DOODLE WITH DURAFoAM. You will discover the many design possibilities of the Durafoam polymers and blends.

DOODLE WITH DURAFoAM will cost you absolutely nothing. Here is all you have to do:

1. [Click here to Doodle with Durafoam](#) and receive a free sample board kit.
2. Pick from this kit one or several materials you think are possibilities for doodling.
3. Contact us for specific questions or Durafoam samples.
