August 2023

Subject: Presence of radioactive substances

To Whom It May Concern:

This is to certify, to the best of our knowledge, that our products do not contain radioactive substances. Moreover, we certify that we don't add any radioactive substance during the manufacturing of our products.

However, it is our customers' responsibility to test our products for any specific application or conditions including radioactivity. We have no knowledge of radioactivity as a result of the chemical processes during or after the manufacturing of our products.

If you have any questions or need further clarification, please contact me at the numbers and/or email below.

Cordially,

A handwritten signature in black ink, appearing to read "John M. Bonforte Sr.", written over a white background.

John M. Bonforte Sr
Technical Director
